McMasterville - Canada

## EDUCATION

- **Champlain College Saint-Lambert** August 2021 – May 2025  
*Diploma of College Studies (DEC) in Computer Science and Technology* Longueuil, QC
- **École Secondaire Mont-Royal** August 2016 – June 2021  
*High School Diploma: International Program* Ville Mont-Royal, QC

## PROJECTS

- **League Alerts: Article Management Application** September 2024 – February 2025  
*Java, React.js, HTML, CSS, JavaScript, MongoDB, Jira, GitHub, Agile/Scrum, Postman, Docker*
  - Collaborated in a team of 4-5 students to develop an article management system from scratch for a client.
  - Implemented features allowing authors to perform CRUD operations on articles, and users to read, share, like, and comment on content.
- **Pet Clinic SCRUM Project: Veterinarian Clinic Management Application** September 2024 – October 2024  
*Java, React.js, HTML, JavaScript, CSS, TypeScript, MongoDB, PostgreSQL, Jira, GitHub, Agile/Scrum, Postman, Docker*
  - Contributed to a large-scale project involving 7 teams, each responsible for specific services.
  - Focused on the Veterinarian Management service, overseeing CRUD operations for veterinarian profiles.
- **Photo Online Printing Web Application: Microservice Application** September 2024 – October 2024  
*Java, MySQL, GitHub, N-Tier Architecture, Postman, Docker*
  - Independently developed the full back-end of a photo-ordering service, handling CRUD operations for customer orders.

## SKILLS

- **Programming Languages:** Java, C#, Python (basic)
- **Web Technologies:** HTML, JavaScript, CSS, React.js (basic), Bootstrap (basic), TypeScript (basic), .Net (basic)
- **Database Systems:** MySQL, MongoDB, PostgreSQL
- **Tools:** Jira, GitHub, Postman, Docker, AWS (basic)
- **Methodologies:** Agile, Scrum

## EXPERIENCE

- **Énergie Cardio** June 2024 – Present  
*Customer Service Representative* McMasterville, QC
  - Sold gym memberships and provided customer service.
  - Assisted with daily gym maintenance and operations.

## VOLUNTEER EXPERIENCE

- **Tutoring** September 2024 – November 2024  
*Champlain College Saint-Lambert*
  - Provided tutoring to students in the Computer Science program.
- **International Program Volunteering** August 2019 – June 2021  
*École secondaire Mont-Royal*
  - Supported cancer awareness by bagging groceries for charity.
  - Assisted with sorting a food warehouse for the Christmas Guignolée.
  - Served as a scorekeeper for school basketball games.
